INSPIRATION

Relax in your own restorative steam shower. Our Atmos steam shower products make it easy to combine a luxury shower experience with the health and wellness benefits of steam.

CODES & STANDARDS

PRODUCT FEATURES

Our steam units bring the relaxation and comfort of a spa to your own personal bathroom experience.

Steam head is designed to provide even heat throughout the steam room.

Steam head features a fragrance reservoir to enjoy the benefits of aromatherapy.

Both interior and exterior control panels have a touchscreen to control time, temperature and on / off.

Control panels digitally display temperature and remaining steam time. Control panels have a frameless face with no metallic finish.
